

# Certificate of Proofreading

Author	Document Title	Date
Proofed	Example Document	01/01/2020

This certificate confirms that the above document has been professionally proofread by Proofed Inc.

The proofreading service provided involves checking for spelling, grammar, punctuation, vocabulary, and consistency to improve the quality of written English. Any citations, footnotes, and references have been checked and formatted so that they conform to the specified reference style.

The professional proofreader has aimed to ensure that the fundamental concepts, ideas, and intended meanings within this document have not been altered during the proofreading process. A tracked version of the changes made has also been provided in order to guarantee that each suggested change can be individually accepted by the author.
